

## Coaching Membership

Price: \$1500.00 + GST Available: Opening Day – Oct 15 2008  
\$1250.00 +GST Available: July 1– Oct. 15 2008

As a summer member of the Coaching Program at The Academy at Piper's Heath, students will be able to have access to the private end of the range with a coaching staff that is on hand to help them with their games on a continual basis. Students can book one coaching session per week with the instruction team, subject to availability and the coach's discretion.

Lessons are approximately 30 minutes in duration and are meant to be a coaching system designed to improve the player's game without the pressure of a time limits or a certain number range balls to accomplish the lesson. Members have full time access to the private Academy end of the range so the players have the privacy, facilities and resources to properly work on all aspects of their game.

### Members are entitled to:

- Coaching and instructional advice sessions, 1 official booking per calendar week with coaching staff. Duration of a minimum of 30 minutes each.
- Ongoing game and improvement advice with recommendations. Instructors may choose to alter lesson time based on performance and reserves the right to schedule the students plans based on results.
- Access to entire instructional team and benefits of all teaching technologies available.
- Unlimited range ball usage.
- Use of the driving range facilities. Always subject to availability based on course and academy bookings.
- Access to private Academy end of range
- Invitations to special clinics and seminars done by professional staff during the season
- Wednesday Night Ball Strikers club participation

## Practice Membership

Price: \$750 +GST Available: Opening Day – Oct. 15 2008  
\$600 +GST Available: July 1-Oct 15 2008

As a Practice Member, players can have access to the Academy end of the driving range facility to work on all aspects of their game. With unlimited use of the balls and the range facilities, a player can experience the perfect environment to improve their skills and work with the professional staff at their discretion on a per lesson basis. It's the perfect combination of convenience, facilities and environment for players to refine their game without limitations.

\*The Academy professionals have the discretion to the daily layout design of the facilities. Designated practice areas will be set-up and maintained for members during all hours of operation. Range and facility use is always subject to availability based on course and academy events during the season. Priority use of facilities will always be given to lesson programs in progress.

### Practice Members are entitled to:

- 1 Free 30 minute golf lesson with Canadian PGA staff
- Unlimited range ball usage.
- Use of the driving range facilities. Always subject to availability based on course and academy bookings.
- Access to private academy end of range
