

Canadian PGA Instructional Team 2008

Ryan Cater

Ryan joins The Academy at Piper's Heath this year as the Director of Instruction after spending his professional golf career on Canada's west coast and internationally in various aspects of the golf and travel industry.

Raised in Oakville, Ontario and a graduate of Appleby College and Wilfrid Laurier University, Ryan grew up under the tutelage and development program of Ben Kern at the National Golf Club as a junior and intermediate.

During university he was a member of the varsity golf and ice hockey teams on scholarship competing in the CIAU Championships for both sports. A Canadian PGA Member since 2001 as a Teaching Professional, founded the golf academy at Uplands Golf Course in Victoria B.C. while gaining playing experience on the Canadian & Ben Hogan Tours.

"There is nothing better than getting up and going to a job that you love to do every day. Teaching golf is a privilege to do and I truly enjoy helping people realize their potential and better understand the beauty of the game of golf."
